

Bird Discovery Workshop

Meet local bird guru, John Gitsham, to discover the birds of the Adelaide Hills region in the Laratinga Wetlands. For all young people (Age 8-17) with an interest in birds, wildlife, and the outdoors. John will guide you on bird identification and bird watching, and we will test our skills at bird nest making. Come along with a parent or guardian to either our beginner or advanced workshop these school holidays.

Register quickly as places are limited.

Thursday 20 April 2017

Week 1 of school holidays
